

Rocking Chair I
GU801

Assembly Instructions

A Note from Guidewill

Before starting assembly, please take a moment to read through this instruction manual.

We've carefully prepared and tested these instructions to help make assembly as clear, smooth, and stress-free as possible. For the best experience, we kindly recommend following each step in order.

As a helpful reminder: Do not fully tighten the screws until the product is completely assembled. Hand tools are recommended for best results. Power drills may cause over tightening or damage.

Thank you for choosing Guidewill. We truly appreciate the time, care, and attention you put into setting this up for your space.

At Guidewill, we're dedicated to early learning spaces. We create practical, reliable products that support the places where children play, learn, and grow with confidence.

If you have any questions or concerns, please reach out to us at support@guidewill.com. We'll respond as soon as possible and do everything we can to make things right.

When you have a moment, we'd truly appreciate your honest feedback. Your experience means a great deal to us and helps us continue improving the products we create for early learning spaces.

Sincerely,
The Guidewill Team
